WHERE RACEHORSES BEGIN

Join us for a relaxing bus ride to the private Thoroughbred Breeding Facility of Harris Ranch for a rare and unique opportunity. Our host, John Harris, will provide a guided walking tour of the breeding grounds, detailing the entire process. Following your tour, enjoy a special luncheon at one of California's Historic Inns, The Harris Ranch Inn & Restaurant, including a personal question and answer period with John Harris. This is an event that will have you racing for the track!
